

note: Not human but I thought you might like this... →

Do cartoons have skeletal systems?

Systems of the Human Body

What I think I know.

What I am wondering.

_____ System

What are some facts that I think I know about this system:

What I am wondering about this system.

I think the _____ System is closely connected to the _____ System because...

(to do later...in the unit...)

Now, that our unit is near the end...what do I know about the _____ system now that I didn't know before?
